8.2. The Company is entitled (but not obliged) to sell by public auction or private treaty or to dispose of all goods which in the opinion of the Company cannot be delivered either because the consignee's address is incorrect or because the goods are not collected or accepted by the Customer within 14 days after notice has been dispatched to the Customer's address, e-mail address or fax number last known to the Company. In case the Customer does not receive the notice dispatched by the Company asking the Customer to take delivery of the goods, such shall not affect the Company's aforesaid right to sell or dispose of the uncollected goods. limited to storage costs and demurrage charges) incurred in connection with the storage and the sale and/or disposal of the goods.

8.3. All goods and documents relating thereto shall be subject to a particular and general lien for monies due in respect of such goods, or for any particular or general balance or other monies due from the Customer to the Company. 9.2. If the shipment is on the freight collect basis but the consignee does not take delivery of the goods within 14 days from the date of the goods' arrival at the place of delivery, the Customer shall be responsible for payment of all the outstanding freight charges, and costs and expenses (including but not limited to storage costs and demurrage charges) incurred until the goods are duly delivered or are sold or disposed of as per Clauses 8.2 and/or 8.3.

10.1. The Company shall be entitled to sub-contract on any terms the whole or any part of the Services whatsoever undertaken by the Company.

10.2. The Company reserves to itself absolute discretion as to the means, the manner, the routes and the procedures to be followed in the performance of the Services including the carriage, the storage and the other handling of the goods. The Company has liberty to use any means, routes or procedures, including using any vessel or stowing the goods on or under deck. Anything done in accordance with the aforesaid discretion or liberty shall not be a deviation of whatsoever nature or degree.

11. If there is any loss, damage, deterioration, non-compliance or miscompliance of instructions, non-delivery, misdelivery (other than the ones described in Clauses 12.1 and 12.2), unauthorised delivery or misdirection of or to or in connection with the goods that arises from the negligence, mistake or wilful default of the Company, its employee, agent or sub-contractor, the Company shall be liable for any claim relating to the aforesaid incident. However, the Company's aforesaid liability shall not exceed a total of US\$3 per kilogram of the gross weight of that part of the goods in respect of which a claim arises subject to maximum liability of US\$250,000 per event. Nevertheless, the Company shall not limit its liability if the aforesaid incident arises from the Company's own wilful default.

12.1. If there is any misdelivery of goods without production of Bill of Lading negligently done by the Company's employee, agent or sub-contractor that has no instruction or prior approval of the Company, the Company shall be liable for any claim relating to the aforesaid misdelivery of goods. However, the Company's aforesaid liability shall not exceed a total of US\$3 per kilogram of the gross weight of that part of the goods misdelivered subject to maximum liability of US\$250,000 per event.

12.2. If the Company's employee, agent or sub-contractor negligently misdelivers the goods to a person (not entitled to receive the goods) without the Company's instruction or prior approval, the Company shall be liable for any claim relating to the aforesaid misdelivery of goods. However, the Company's aforesaid liability shall not exceed a total of US\$3 per kilogram of the gross weight of that part of the goods misdelivered subject to maximum liability of US\$250,000 per event.

13. Notwithstanding any other terms in these Conditions to the contrary but subject to Clauses 2.3 and 2.5, the Company shall not be liable for any claim relating to:

- a. any delay, goods shut out or off loaded, goods' departure or arrival time; or
- b. any special, incidental, indirect, consequential or economic loss (including but not limited to loss of market, profit, tax, tax return, revenue, business or goodwill); or
- c. any loss, damage, expense or cost arising from fire, flood, storm, typhoon, explosion, port or airport congestion, deviation, strike, lock out, stoppage or restraint of labour

even if the aforesaid incident arises from the negligence or mistake of the Company, its employee, agent or sub-contractor, or from the wilful default of the Company's agent or sub-contractor. However, if the Company is still legally held liable for the aforesaid claim despite the aforesaid provision, the Company's liability shall not exceed a total of US\$3 per kilogram of the gross weight of that part of the goods in respect of which the claim arises subject to maximum liability of US\$250,000 per event.

14. If there is any claim that the Company is legally held liable, and no other terms in these Conditions (limiting or excluding the Company's liability) are suited to that claim, the Company's aforesaid liability shall not exceed a total of US\$3 per kilogram of the gross weight of that part of the goods in respect of which the claim arises subject to maximum liability of US\$250,000 per event. However, the Company shall not limit its liability if the incident leading to the claim arises from the Company's own wilful default.

15. The Company may accept liability in excess of the limits set out in Clauses 11, 12.1, 12.2, 13 and 14 provided that (i) the value of the goods has been declared in writing by the Customer and accepted by the Company and (ii) the Customer pay to the Company additional charges as decided by the Company. Details of the additional charges will be provided upon written request by the Customer. The declared value accepted shall be the Company's limit of liability and shall replace the limits in Clauses 11, 12.1, 12.2, 13 and 14.

16. All and any Services provided by the Company gratuitously are provided on the basis that the Company will not accept any liability whatsoever.

17. It is agreed that superficial rust, oxidation, discoloration, or any like condition due to moisture is not a condition of damage but is inherent to the nature of the goods, and acknowledgement of receipt of the goods by the Company in apparent good order and condition is not a representation that such conditions of rust, oxidation, discoloration, or the like did not exist on receipt.

18. If the Services are or are likely to be affected by any risk, delay, hindrance, difficulty or disadvantage of any kind whensoever and howsoever arising (including but not limited to port or airport congestion, strike, lock out, stoppage, restraint of labour, and/or the Customer's failure to pay the Services charges that have been outstanding for 2 months or more), the Company may terminate and/or abandon the Services and place the goods at any place for the Customer to dispose of the goods, whereupon the Company's liability and responsibility in respect of the goods shall cease. If the Customer does not dispose of the goods within 14 days after notice has been dispatched to the Customer's address, e-mail address or fax number last known to the Company, the Company is entitled (but not obliged) to sell by public auction or private treaty or to dispose of the goods at the expense of the Customer. In case the Customer does not receive the notice dispatched by the Company asking the Customer to dispose of the goods, such shall not affect the Company's aforesaid right to sell or dispose of the goods. The Customer is responsible for payment of all the outstanding Services charges, and costs and expenses (including but not limited to storage costs and demurrage charges) incurred until the goods are disposed of or sold.

19. Any claim against the Company must be in writing and delivered to the Company within 14 days from the date of delivery of the goods or the date the goods should have been delivered or the date of the event giving rise to the claim, whichever is the earliest. Otherwise, the Company shall be discharged of all liability whatsoever in respect of any claim.

20. The Company shall be discharged of all liability whatsoever in respect of any claim unless suit is brought against the Company in the courts of the Hong Kong Special Administrative Region within nine months from the date of delivery of the goods or the date the goods should have been delivered or the date of the event giving rise to the claim, whichever is the earliest.

21. The defences, exemptions and limitations of liability provided for in these Conditions shall apply in any action against the Company whether such action is founded in contract or in tort.

22. These Conditions and any contract with the Company shall be governed by the laws of the Hong Kong Special Administrative Region. Any claim or dispute must be determined exclusively by the courts in the Hong Kong Special Administrative Region and no other court.
